Speaker: Dr. Elliott Greene

Principal - Tyrannus Hall Foundation for Pastoral Development
Assistant Pastor/Missionary - New St. Peter's Presbyterian Church
Assistant Professor of Biblical Languages – Westminster Theological Seminary, Dallas, TX

Tyrannus Hall is a ministry that recognizes that many minority pastors who are laboring in the fields of their communities are unable to attend seminary, away from their families, congregations and, for some, their jobs. Yet they desire growth in their calling and skills. For them, the traditional model of seminary training will not accommodate their life situation. Their training should be personal and flexible. Instead of requiring them to travel to be trained, the training must travel to them. Tyrannus Hall seeks to bring near to these men excellent and scholarly theological training in a pastoral/discipleship-oriented way. As principal of Tyrannus Hall, Elliott has a heart and calling to disciple shepherds who will have a passion for the glory of God, strong Christian character, the growth of God's people in Christ, and who will be skilled teachers of the Word of God and doctrinally Reformed. Elliott's immediate family includes Ophelia his wife and sons: Richard II (23), Randall (20) and Ryan (13).
